

Mild Steel Ramp :

**Available Size: PT 12R 1200mm wide, PT 10R 1000mm wide &
PT 15R 1500mm wide**

Made from mild steel, the 1200mm wide ramp is an ideal companion for the PT platform scales. Use multiple ramps for loading and unloading items from any direction, or just install a single ramp. Either way, the ramp accessory makes working with the PT platform scales simple. The ramp securely connects to the PT for safe operation.
